### Teacher notes on Arthur Wharton PowerPoint Presentations

- ❖ These PowerPoint presentation resources offer a flexible range of themes and detail around Arthur Wharton's life and achievements to help spark inspiration for learning.
- ❖ We know that teachers are busy and need to adapt resources to their learner's needs so we encourage the editing and re-working of these presentations and commentaries.
- ❖ The content is pitched at up to GCSE students but can easily be adapted for younger and older learners.
- ❖ The images used in the presentations are either via granted permission or are copyright free. Where we have been unable to source useful images, we hope teachers can modify presentations to link to online materials.
- ❖ Some of the PowerPoints contain links to YouTube video clips and require an internet connection with access to YouTube.
- ❖ Fonts have been embedded into the presentations to preserve design. If modifying a presentation, these can be removed to reduce file size.
